150+

IDEAL FOR WEANERS 150KG+ WHICH HAVE COMPLETED THE WEANING PROCESS AND NOW REQUIRE A SUPERIOR SUPPLEMENT TO ENSURE GROWTH AND DEVELOPMENT IS CONTINUED WHILE GRAZING PASTURES

150+ is formulated to ensure weaners of 150kg+ continue sound growth and development rates while in their paddock environment grazing on both hayed off and mature pastures during the mid to late dry seasons.

Designed with animal health and a young rumen in mind, it is formulated using a combination of the highest quality proteins meals and grains available, with the addition of important minerals and additives. This combination ensures these young grazing cattle are provided with every opportunity to effectively digest and utilise their pasture diet to the best of their ability.

Example of possible nutrient levels
