CALF 2

IDEAL FOR SMALL CALVES 100-140KG

Calf 2 is formulated for small calves to help establish good gut health and initial growth after weaning.

It contains a blend of energy and high-quality protein meals, vitamins, minerals and grains to ensure high levels of protein and carbohydrates to maximise early health. Calf 2 contains products to help ensure good gut health among small calves and minimise losses caused by coccidiosis.

Example of possible nutrient levels
